

Maureen, John, and Aaron Linn, owners of Linn's of Cambria, are sponsors of the 2019 Cambria 4th of July Fireworks Display which is the "grand finale" to a full day of celebration contest, races, and events at Shamel Park including Linn's 4th of July Pie Eating Contest, sack races, tug o' war, music, food booths, face painting, and much more. The celebration is coordinated by American Legion Post 432 volunteers who donate their time, skills, energy, and resources to make it happen for all of us to enjoy. Fundraising proceeds go to support local youth activities throughout the year.

The Cambria Fireworks Display begins just after dark at Shamel Park. Sign-ups for Linn's "Full Tin" 4th of July Pie Eating Contest are prior to noon at the park on the day of the event. Spaces are limited. All contestants must register to participate, including past champions.

For complete contest rules and details, see the official registration form available upon request by e-mail. Please contact: marketing@linnsfruitbin.com.

Linn's of Cambria to sponsor 4th of July Fireworks Display; "Full Tin" Pie Eating Contest

BY LEIGH ANN CARNAHAN

"I'M EXCITED TO ANNOUNCE our sponsorship of the Cambria Fireworks Display this summer," says John Linn, Linn's co-founder. "We've hosted our pie eating contest at the park for 10 years now, and we were pleased to be asked to light up the evening sky in celebration of our nation's birthday."

"Our family loves our hometown of Cambria and we're grateful to be living our version of the American dream, as small farmers and business owners in this beautiful place. I can't even begin to say how much we value our employees, customers, and the community here...all have made our efforts over the years stronger and have contributed meaning to our lives. Being able to give back on the 4th of July is a pleasure and an honor."

As in years past, Renee Linn's original recipe, handmade Apple-Oldallieberry pies will be baked and devoured at the 4th of July pie eating contest at Shamel Park. Hearty men, women, and kids will compete in separate, "best pie-hand down" contests for the coveted titles of first place Champion, second place, and third place categories with awards and prizes.

"The Linn's 4th of July Pie Eating Contest is an outrageously fun time for everyone at the park and we always look forward to putting it on," says Aaron Linn, general manager of Linn's Restaurant. "This particular 4th is special to us because we are commemorating milestones that are close to our hearts...our nation's birthday; a full decade of hosting Linn's 4th of July Pie Eating Contest, the 30th Anniversary of the opening of Linn's Restaurant, and the 40th Anniversary of the founding of our family business, Linn's of Cambria.

I'd like to invite everyone to join us for the tenth year of the Linn's "Full Tin" 4th of July Pie Eating Contest; to be extra generous and buy lots of American Legion raffle tickets to support local kids programs during the daytime races and events; and then, to come out to experience the one-of-kind excitement of the 2019 Cambria Fireworks Display in the evening. Let's all celebrate and have some good old fashioned fun together!"
